P/N 20-133R-KIT

For most Aqua Miser® Rotary Style Guns

Retaining ring keeps the protective abrasion sleeve in place during even the most vigorous operations while the end cap stabilizes the UHP hose to reduce wear on the rotary head's internal components.

Kit includes: Adapter Tube, Hose Support Cap, and Abrasion Sleeve.

Replacement Abrasion Sleeve (P/N 20-133R) may be purchased separately.

P/N 20-133F-KIT For most Aqua Miser® Fan Style Guns and Aqua Miser® "Z" style Rotary Guns with an HP elbow

Attaches securely at the gun's UHP hose connection fitting.

Kit includes: Adapter Fittings and Abrasion Sleeve.

P/N 20-133E For other rotary style and fan style guns

One-piece sleeve attaches with an adjustable strap for versatility.
